

Fairport-East Rochester Post: Cheers and Jeers
June 23, 2011

A CHEER ... to Fairport-based Design Pool & Spa employees who were part of Team Cody, which helped raise more than \$800 for Golisano Children's Hospital during the 2011 Stroll for Strong Kids Walk and 5K Run. Team members ran and walked in honor of Cody Offen, a 4-year-old boy who has spent much of his life in Strong Memorial Hospital for treatment of illnesses associated with Williams Syndrome, which is a rare genetic disorder.
